Color Kinetics Blast Accessories

Philips Color Kinetics makes the best LED light fixtures in the world – and the Blast is the best of the best! Whether Color, iW or eW Blast Powercore, these accessories open up dozens of opportunities to use these great fixtures in a whole new range of applications.

The Tempest accessory line is growing literally every week – if you don't see what you need here, call or email us and we'll do our best to help.

Blast 4750 High Hat and Egg Crate

These simple, 1-piece accessories just slide over the Blast Powercore fixture body and fix at the back with two stainless steel screws. Available in black or off-white, these accessories are effective, easy to install, and secure in use.

An interesting feature of the egg crate is that each cell is centered on one of the Blast's LED optics, so there is minimal loss of light transmission – along with minimum glare. Much recommended for use with the Blast Ceiling Pans below.

Maximum light, minimum glare, with the 4750 Egg Crate

Part #s:	4750.TB	Blast Top Hat, Black
	4750.TW	Blast Top Hat, White
	4750.EB	Blast Egg Crate, Black
	4750.EW	Blast Egg Crate, White

Blast 4755 Ceiling Pans

Wait no longer! A simple ceiling pan that turns any Philips Color Kinetics ColorBlast, iW Blast or eW Blast into a recessed downlight - or a wallwasher.

Tempest's Blast Ceiling Pan comes in a rectangular form factor (pictured here) for downlight and wall-washing applications, or square, allowing the fixture to pan as well as tilt. And you can have it in any color you like, just so long as it's black. Or white.

These ceiling pans insert simply between the Blast fixture and a regular ceiling box. They may be used with any standard ceiling box/hanger combo, approved for either hard lid or T-bar ceilings.

The Tempest Blast Ceiling Pan is equally suited for new construction and remodel applications, with all work being accessible from below.

Part #s		Dimensions	Ceiling Cutout
4755.RW	Blast Ceiling Pan, Rectangular, White	15.5" x 11.5" X 4.25"	14.75" x 10.25"
4755.RB	Blast Ceiling Pan, Rectangular, Black	15.5" x 11.5" X 4.25"	14.75" x 10.25"
4755.SW	Blast Ceiling Pan, Square, White	15.5" x 15.5" X 4.25"	14.75" x 14.75"
4755.SB	Blast Ceiling Pan, Square, Black	15.5" x 15.5" X 4.25"	14.75" x 14.75"

Blast 4700 Standoff Arms and Pipe Clamps

Standoff Arms insert between the Blast Fixture and its base, allowing the fixture to be mounted on a wall with an offset, allowing wall-washing without any special architectural detail. Standoff Arms are available in three lengths (or call us with custom requirements), and in black or off-white finish to match fixture paint.

Pipe clamps provide an easy way to rig Blast and Burst fixtures on pipes and trusses. Made of zinc-plated steel, they are available for either 1.25" (32mm) or 2" (51mm) OD pipe.

Part #s	4708.AB	Blast Standoff Arm, Black, 8" (20cm)
	4708.AW	Blast Standoff Arm, White, 8" (20cm)
	4712.AB	Blast Standoff Arm, Black, 12" (30cm)
	4712.AW	Blast Standoff Arm, White, 12" (30cm)
	4702.P1	Blast Pipe Clamp, 1.25" OD Pipe, 2" Offset
	4702.P2	Blast Pipe Clamp, 2" OD Pipe, 2" Offset
	4712.P1	Blast Pipe Clamp, 1.25" OD pipe, 12" Offset
	4712.P2	Blast Pipe Clamp, 2" OD pipe, 12" Offset
