

Blast 2 x 2 Drop Ceiling Trim

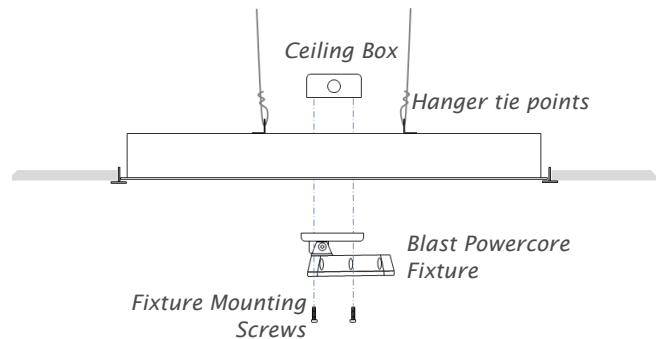

Now you can recess any Philips Color Kinetics Blast Powercore fixture in a drop ceiling, for a really powerful recessed downlight or wall washer! These handy trims sandwich between the fixture and a ceiling box, and drop into

a standard 2' x 2' tile position. Trims are quick and easy to install, using any standard ceiling box.

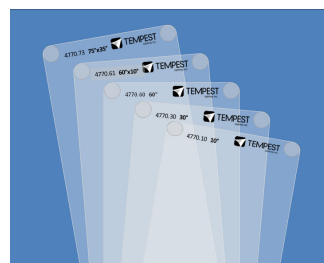

For Use with:

- Philips Color Kinetics Color Blast Powercore
- Philips Color Kinetics eW Blast Powercore
- Philips Color Kinetics iW Blast Powercore
